

KOMFI® - JUNIOR 36

ON-DEMAND LAMINATING SYSTEM

This well-built **Junior 36** serves a niche for on-demand publishers, providing a quick and compact solution for one-sided lamination on book covers. The **Junior 36** has an extremely small footprint, due to a unique folding separator. An outstanding on-demand laminating machine!

FEATURES

- Manually-fed laminating system
- Compact solution for commercial lamination with maximum efficiency
- On-demand: perfect for digitally printed and standard offset output
- Applications include: brochures, flyers, business cards, on-demand book & magazine covers etc.
- Mobile - the Junior 36 is mounted on wheels for flexibility
- Small footprint is perfect for small sheet and digital work in compact spaces
